### Five Day Rule for Clearing Absence

In order for the District to determine the reason for a student absence, it is necessary for parents/guardians to contact the school site attendance office and clear the student absence. The parent/guardian should contact the school the day the student returns, and must contact the site within five days of the student's return to school following the student's absence. The parent/guardian must provide the site with a reason for the student's absence.

If the parent/guardian does not contact the school site to clear an absence within five days of the student's return to school, the absence will remain "un cleared". An un-cleared absence is not considered an excused absence under education code section 48205. Therefore, un-cleared absences will be considered unexcused and could lead to a student receiving a Notification of Truancy letter in accordance with education code section 48260.5.

### Notes from Nurse for SOS Trip

Our 6th grade students are getting ready for their Sonora Trip in September. All medications for the trip must be turned into the nurses office by **Wednesday, November 30, 2016**. A medication form signed by the doctor and parent needs to be provided for each medication whether over-the-counter or prescription. All over the counter medications such as Tylenol, Dramamine, allergy medications, etc. must have a doctor's note to be administered to a student while in Sonora. Medications need to be sent in a prescription container or in the original container/packaging. No medication in baggies, etc. will be accepted. We are excited to help make this a healthy, happy time!

Please contact Mrs. Moreno or Mrs. Marilyn with any questions at 327-7600.
