

ROADRUNNER REVIEW

News and Highlights - Week of 10/3/2016

Dear Roadrunner Families –

It's been great to reconnect with our families at all of our activities lately. Family Math Night was so much fun...we had a lot of new games. Who knew math could be so much fun?! Football Night at the CW game was a great evening as our football players ran through the tunnel and our cheerleaders performed with the CW squad. Volleyball Night was very exciting with a match of excellent volleyball talent on display. We love to cheer on the Clovis West Golden Eagles. I know our Roadrunners were thinking about the near future when they will be out on the field or in the CW gym using their skills and sportsmanship to bring home a win for the Eagles!

Progress Reports go home this week. If your student's report doesn't make it home on Friday, you can always look up their current grades on Parent Connect. The Progress Report is mid-way accounting of a student progress toward the official report card that comes out at the end of the quarter (October 30th). Your student has time to bring up grades, talk with teachers to see what work needs to be turned in, or what skills he/she needs to practice in order to get the Report Card that they are hoping for. Parent Connect is always available to monitor your child's grades, attendance, lunch account balance, etc. If you cannot locate your log-on information, please contact Mrs. Villalobos in the front office for assistance.

We are so proud of the progress our students have made in just the first six weeks of school. Keep up the great work, keep up the good attendance, and Dig Deep Roadrunners!
