

# ROADRUNNER REVIEW

## News and Highlights - Week of 5/28/2018

Dear Roadrunner Families –

We are in the home stretch! Our students have worked very hard this year to learn and grow. We are proud of their efforts and successes.

Here are a few tips to keep their skills sharp over the summer:

1. Read every day for 20-30 minutes. You can check-out books from the Fresno County libraries located at San Pablo and Spruce in Pinedale, or Marks and Bullard near the Fig Garden Loop. If you can't get to the library, you can read FREE online at [www.READ.gov](http://www.READ.gov).
2. Read to your child...just listening to and discussing stories helps your child develop better comprehension and vocabulary.
3. Allow your child to help in the kitchen by reading recipes and helping to measure. They will make the connections with math in meaningful ways.
4. Randomly ask your child to tell you what time it will be in 30 minutes. Let them figure it out. They need to practice measuring and telling time.
5. Play games! Crosswords for kids, word puzzles, and Hangman all help strengthen vocabulary and spelling. Jacks and many card games strengthen math facts and number sense.

Plan ahead for a summer break that preserves your child's hard work and skills.

Most importantly, have FUN and be safe! Beep, Beep!
