ARRIVAL/DISMISSAL

Students not riding a bus or walking to school should be **dropped off no earlier than 7:50 AM and picked up at 3:00 PM** unless involved in a supervised, before or after school activity. School is in session from 8:10 AM to 3:00 PM. Morning Kindergarten is in session from 8:00 AM to 11:30 AM and Afternoon Kindergarten from 11:30 AM to 3:00 PM.

EARLY RELEASE DAYS

Every Wednesday is Early Release Day. **Every Wednesday, school ends at 1:30 PM for students in PM Kindergarten and grades 1-6. A.M. Kindergarten dismissal is 10:45 AM.**

PERFECT ATTENDANCE

To qualify for perfect attendance, your child must be in school every day and have no unexcused tardies. The only exception is a completed, passed Independent Study for absences of 5 or more consecutive days. Independent Study applications must be submitted to the registrar a minimum of two weeks in advance of planned absence.

ABSENCES

Regular school attendance is important to your child's progress. When it is necessary for your child to be absent from school or come to school late, he/she must have a note or a phone call from the parent or guardian explaining the reason. For your convenience, you may clear absences through the Nelson Website (<https://nelson.cusd.com>). **All absences must be cleared within 24 hours after the occurrence.** Uncleared absences are considered truantcies. Excessive absences/tardies may result in referral to a School Attendance Review Board (SARB) meeting.

TARDINESS

When your child is late, he/she must report to the school office before going to class. This is necessary to prevent your child from being marked absent when he/she is actually present. Being tardy not only prevents your child from receiving critical instruction, it also interrupts the learning process of other children. We ask that parents make every effort to have their child(ren) to school on time.

MOVING

A student's school assignment is based upon the residence of the parent or legal guardian. If you move, you must notify the school within five days. If you are found to be out of the Nelson attendance area and have not notified the office, your child can be immediately withdrawn and a request for an intra- or inter-district transfer for your child to remain at Nelson may be denied.

PICKING UP STUDENTS EARLY

For the safety of your child, parents need to pick up students from the main office and must sign them out. Upon returning, parents must also sign their children back into school. Students are not allowed to walk out to the parking lot unescorted and without first being signed out in the office.

PERSONS AUTHORIZED TO PICK UP STUDENTS

Students may be signed-out of school only by those people who have been specifically names on the Student Release Authorization online forms by parents with legal custody or legal guardians. If you need to add or change Authorized Release contacts at any time during the school year, you will need to update your student's contact information through Parent Connect. You may come to the main office for technology access when needed, or call for the registrar for assistance if updating from home.

WRITTEN PERMISSION

Any request for permitting your child to leave early, go home with another pupil, or deviate from the regular mode of transportation must be written and signed by the parent. This note needs to be submitted to the teacher or the office before departing from school.

COMMUNICATION

NEWSLETTERS

The *Roadrunner Review* is sent home every Friday. We communicate school news and important dates through this newsletter. Please ask your student for this important newsletter each week. In addition, teachers send home monthly newsletters updating you about assignments, upcoming deadlines, and other important information.

STUDENT PLANNER

All students in grades 3-6 are given a semester daily planner in which they are to record assignments, homework, due dates and any other important information as communicated by their teacher or coaches. Help your child check the planner every day to stay on track in class. The planner should be carried to and from school every day. The habits established by this process are lifelong skills for successful living.

THE NELSON WEBSITE

The Nelson website (www.nelson.cusd.com) is full of practical information and pictures of Nelson events. On the site, you will be able to find email addresses for all staff members. This is an effective way to communicate with the office staff and your child's teacher.

CLASSROOM WEBSITES

Most teachers maintain a website on which you can find current assignments, helpful links for homework help, classroom news and information. You can find a direct link to these websites through the Nelson Elementary home page (www.nelson.cusd.com).

CLASSROOM REMIND APP

Many teachers use the Remind app to communicate with parents and students. The app allows teachers to text reminders, assignments, and messages directly to your cell phone. If your student's teacher uses Remind, they will provide directions on how to sign up.

PARENT CONNECT

Parents with children in grades K-6 will be able to monitor their child's progress on the Internet. At the beginning of the school year, parents will receive a letter with a password to log-in to Parent Connect. This program allows parents to monitor grades, cafeteria accounts, and attendance.

Kindergarten and first grade teachers are not recording grades in Parent Connect. Progress reports and report cards for all students (K-6) will continue to be sent home four times per year. (*K only sends home 3 times a year.*)

CUSD TODAY

Clovis Unified publishes a monthly District newspaper with articles regarding District news, school events, and information helpful to parents. It is mailed directly to all CUSD families once per month and is financed by the advertisers in the newspaper. It is an excellent resource for information regarding national, state, and local education issues, as well as practical information to help all parents support their children in school.

FACEBOOK

Nelson Elementary uses a Facebook page to communicate with our community. Reminders, notices of events, and postings of student achievements can be found on our Facebook page. To find us on Facebook, search for Nelson Elementary Fresno. The Nelson Parent Teacher Club also maintains a FB page – "Nelson PTC."

TWITTER

We use Twitter to send out reminders of school events and due dates. On rare occasions, we have used Twitter for an emergency notification such as last-minute cancelled events. *You do not need a Twitter account to receive our notifications.* Simply text Follow NelsonCUSD or Follow NelsonSpanish to 40404 to start receiving text notices from the school. We only use it a few times per month. To stop receiving our tweets, text STOP to 40404.

BEHAVIOR EXPECTATIONS AND DISCIPLINE

CHARACTER COUNTS!

The six pillars of Character COUNTS! (Trustworthiness, Respect, Responsibility, Fairness, Caring, Citizenship) are infused into the education program at Nelson. These pillars serve as the guiding principles for student conduct.

DISCIPLINE

Nelson has a school-wide policy for behavior expectations. These expectations and school processes are clearly communicated to students and then practiced with the classroom teacher. Once students have practiced and are clear on the school-wide rules, they are held accountable for following school rules. Our expectations can be found in BEEP:

- B – Be the Best you Can Be (Be responsible, Do your job, & Do better every day.)
- E – Everyone is Respectful (Be kind, Choose words carefully, Treat others the way you want to be treated.)
- E – Everyone Acts Safely (Hands & Feet to Yourself, Think Before you Act, Look out for each other)
- P – Protect This House (Take care of your school)

Maintaining student conduct is necessary to achieving our goals of providing a safe school environment and improving student achievement. Each class, under the direction of the teacher, will develop a set of classroom rules. These rules are posted in the classroom. Adherence to these rules, and redirection of students when necessary, will be conducted by the classroom teacher. If students do not correct their own behavior, they will then be assigned consequences. Repeated behaviors or major infractions will result in parent contact, serious consequences, and possibly referral to the office.

Nelson's BEEP program will recognize students each month who have demonstrated personal responsibility and outstanding character. At the end of each month, a BEEP Reward will be shared with students who have had fewer than three minor infractions and no more than one major infractions. An office referral is an automatic disqualification for the month.

ZERO TOLERANCE

Clovis Unified School District has a Zero Tolerance Policy applicable to battery, possession of a weapon, possession of any dangerous device, sale/possession of controlled substances, vandalism (\$100 or more), repeated mutual combat, robbery/extortion, gang-related incidents, hate-motivated behavior, and assault/threat of a school employee. Students committing any of these offenses will be immediately suspended and may be recommended for expulsion.

- Bicycles, skateboards, scooters, and rollerblades are not to be ridden on the school grounds, walkways or hallways at any time, including weekends, after hours, and vacations.

BUS CONDUCT

It is a privilege to ride the school bus. Appropriate behavior is expected at all times, including at the bus stop. When a student violates a District bus regulation, the bus driver will report the incident to the Principal or GIS. Student and parent contact will be made. If a student receives multiple citations, he/she may be suspended from riding the bus for a specified period of time.

"NO LOVE" AT NELSON

Boyfriend/girlfriend relationships that involve holding hands, kissing, hugging, or other visible signs of overt affection should not occur at school. There will be plenty of time for these types of relationships when students grow older. The emphasis at Nelson will be on learning and developing appropriate social relationships with all students.

CELL PHONES

Students may not use cell phones during the school day (7:50 AM – 3:00PM, or 4:10 PM if in after school activities). In the case of an emergency, students are allowed to use the classroom/office telephone with the permission of the teacher or office personnel. Students found using cell phones will receive a warning for the first offense. Subsequent offenses shall result in disciplinary action. Furthermore, the cell phone will be taken from the student and held by the GIS or Principal in the office for the parent or guardian to retrieve.

Some lessons in upper grade classes may allow a student to use a phone for a specific reason. If you do not want your student to use their phone in class for academic lessons under teacher direction, please notify your student's teacher.

GRADING AND STUDENT AWARDS

GRADES In grades K-1 effort grades and skill level will be indicated. No letter achievement grades will be given. State Education Code states clearly that the only person that may assign a grade for a student is that student's teacher. Grades may not be altered or changed by anyone other than the student's teacher.

Students in grades 2-6 are graded utilizing the A, B, C, D, F criteria. Teachers calculate grades on the following percentage basis:

A = 90 – 100% (excellent work) B = 80 – 89% (above average work) C = 70 – 79% (average work)

D = 60 – 69% (below average work) F = below 59% (failing work)

PARTICIPATION IN CO-CURRICULAR ACTIVITIES

Nelson offers a full range of co-curricular activities in sports and the arts. Our co-curricular program is aimed at developing well-rounded students. “Winning” is secondary to this goal. It is important that parents and students understand that participation is allowed only for those students who meet the following criteria:

- “C” average on the last report card or progress report with no “F’s”
- Proper classroom/playground behavior and citizenship. Suspensions from school will result in a period of “non-privilege” (no participation) for 10 days upon return from suspension.
- The minimum required amount of Accelerated Reader points for the week/quarter.

In addition, students participating in co-curricular activities automatically agree to comply with guidelines in accordance with the *Code of Participation*. All participating students will be expected to review and sign the *Code of Participation*. Parents must also review and sign the *Code of Participation* prior to their child(ren) participating in any co-curricular activities. Below you will find a list of co-curricular activities in which your child(ren) may participate at each grade level.

STUDENT SAFETY AND WELLNESS

SAFETY CONCERNS

Please notify the office staff or an administrator if you have any safety concerns that may impact the well-being of our students. Please remind your child to follow all safety rules. If your child is a walker, discuss the walking route he/she will take, including using only the crosswalks when crossing the street. Advise your child to walk with a friend and go straight home after school. Speak to him/her about obeying traffic signals. If your child is a bike rider, review all bike safety rules including the ones mentioned for walkers. Remember that students riding bikes, skateboards, and scooters are required by law to wear helmets. In addition, **bikes, skateboards, rollerblades, and scooters should never be ridden on the school campus.**

SCHOOL MEALS

Breakfast and lunch are available at Nelson Elementary School. This year all students are eligible to receive a free breakfast or lunch at school. No applications are necessary.

LOST AND FOUND

Students often lose their coats, jackets, and lunch boxes. It helps if personal belongings are clearly marked on the inside label with your child's name so that your child can identify his/her articles easily. Students may claim lost items by checking with their teacher and then checking the lost-and-found box in the cafeteria. Periodically, unclaimed items are given to a charitable organization.

PETS / ANIMALS ON CAMPUS

Per Board Policy, pets/live animals are not allowed on CUSD campuses. **Dogs are not to be on campus.** This is a health and safety issue for all. The only exception is a certified service animal.

NURSING SERVICES

School Nurse – School Health Services Assistant

A School Health Services Assistant will be in the health office 5 days a week. When necessary HSA will contact parents/guardians regarding illness and injuries that occur during the school day. All HSAs are CPR/First Aid certified.

Credentialed School Nurses are on campus for the following:

- Mandated vision and hearing tests.
 - Complete special education and 504 health assessments.
 - Ensure immunizations are compliant with CA state law.
 - Provide health education resources for school staff, students and parents/guardians.
 - Maintain student health records.
 - Contact parents/guardians regarding health problems and/or excessive absences.
 - Communicate with health care providers regarding health issues and impact on education (within HIPPA regulations).
 - Develop health/safety plans for students with high risk medical diagnosis.
-

First Aid, Illness, Injuries

- If a student is injured or ill at school he/she will receive every care and consideration.
- Parent/guardian will be contacted for serious injury or illness.
- School nurse is available to consult with parents/guardians regarding health problems upon request.
- After extended illness or injury parent/guardian should follow up with school nurse for any needed care or accommodation.
- Injuries and illnesses occurring at home should be cared for at home.
 - Upon student's return to school parents are to provide documentation from health care providers indicating any limitations or special considerations/equipment necessary to the student's continued care at school.

LICE

Clovis Unified School District operates on NO LICE guidelines.

Students will be sent home if evidence of live lice is found.

Students may not return until treatment has been completed and hair/scalp are free from live lice.

Students must check with health office and be cleared to return.

Class checks are no longer part of district guidelines.

MEDICATIONS

ALL medications (even over the counter medications including Tylenol, Advil, cough drops and eye drops) must be checked in through the Health Office.

- CA Education Code Section 49423 requires that any medications to be taken at school must be presented with:
 - A written statement from the physician detailing the name of medication, amount, method and time medication is to be taken.
 - A written statement from the parent/guardian indicating their desire for the school to assist the pupil in the matters set forth in the physician's statement.
 - Medication must be clearly labeled and sent to school in the original container from the pharmacy.
- The **Medication at school form** is available from the school or on the district web site under Departments – Nursing – Medication at School form.
- The Health office does not keep medication for general student use.

First Grade Physical

California State Law requires that all children entering first grade have a Child Health and Disability (CHDP) physical examination within 18 months of beginning first grade. It is necessary to provide the health office with proof of this physical.

Child Protective Services

It is important parents understand that all school personnel are “Mandated Reporters” of child abuse. Should a staff member have even the slightest suspicion that a child has been abused, they must report it to Child Protective Services (CPS).

Physical Education Excuse

If a child is to be excused from P.E. for more than a 3 day period, a written note from a doctor is required.

This note should include a diagnosis and specific date for returning to PE as well as any limitations that might apply.

Crutches, wheelchairs and other devices require a doctor's prescription indicating directions for use and the student has been educated to use the device.

EMERGENCY CONTACT

In case of an emergency parents/guardians will be contacted.

It is very important that the Health Office have updated contact information.

If there is a change in contact information please contact the health office to ensure the correct information is on your student's health information card. (Changing information on Parent Connect does not alert or inform the health office.)

PARENT INVOLVEMENT

Parent involvement is critical to the success of any school. Parents are encouraged to become involved in the many opportunities available to them at Nelson. Below is a partial listing of how parents can team with the school as vital partners in their child's educational success.

Volunteers are always needed in the classroom to make instructional materials and help the classroom teacher by copying or running errands around school. **Volunteers must complete a CUSD Volunteer Form and provide picture identification at the front office prior to volunteering. The form must be completed for every school year.** If you want to learn more about parent volunteer opportunities please come by the school office or talk with your child's teacher. All chaperones must complete a CUSD Volunteer Form prior to school field trips.

- **SCHOOL ASSESSMENT REVIEW TEAM (SART)**

School Assessment Review Team (SART) is a team of parents and staff who meet quarterly to provide a forum for school communication among all groups in the school community. The committee also coordinates the annual SART Parent Survey and selects a site representative for the district and area levels of the SART process. We encourage all parents to join us at the SART meetings.

- **INTERCULTURAL AND DIVERSITY ADVISORY COUNCIL (IDAC)**

Intercultural and Diversity Advisory Council (IDAC) is a team of parents and staff who meet quarterly to review the goals of the Cultural Competency Task Force for Improving Student Performance that includes 1) focus on student achievement; 2) staff development; 3) hiring practices; and 4) community outreach.

- **ENGLISH LEARNER ADVISORY COMMITTEE (ELAC)**

The ELAC is composed of Nelson staff members and parents of English Learners. Members learn more about school programs, provide input, and make recommendations to the principal, staff, and SSC regarding services for English Learners. The Committee meets four times per year (quarterly).

PARENT-TEACHER CONFERENCES

Teachers are available for conferences either in person, by email, or by phone. Conferences may be scheduled by calling the teacher. If cancelling a conference appointment, please call at least 24 hours in advance. Parents will be invited to attend a parent-teacher conference in October/November to discuss student progress.

PARTIES

Nelson students will have three classroom sponsored parties during the year: Winter Holiday Party (day before Winter Break), Valentine's Day Party and End of the Year party (last day of school). **These parties will be conducted during the last 90 minutes of school from 1:30-2:30 PM and Year End party from 12:30-1:30 PM.** We do not allow birthday parties at school. However, a treat at the end of the day may be arranged with a student's teacher. A nice way to acknowledge your child's birthday at school is to donate a special book to the Nelson Library. The donated book will have a sticker placed in the front noting the contribution on behalf of the student's birthday.

TELEPHONE

The office will **not** transfer calls to classrooms. The morning is “protected” academic time and phone interruptions interfere with learning. We will take a message for the student and make sure the student receives the message. Student use of school phones will be reserved for emergencies only. Nelson is charged for every phone call made.

SUPPLIES

Most basic student supplies are provided at school. However, often teachers will suggest a few items that are helpful and an added convenience to the student. Students are responsible for the care of the textbooks and other non-consumable items issued to them. Students are responsible for replacing all lost books.

FIELD TRIPS

Any field trips will be standards-based to enhance student learning. Teachers at each grade level work together to select and plan field trips for their students. An approved permission slip must be signed by a parent before a student can go on a field trip. Telephone permission is not allowed. If a parent plans to chaperone, a volunteer form must be one file. Please check with the main office for the proper volunteer application.

TITLE I PARENT INVOLVEMENT POLICY AND SCHOOL COMPACT

Annually, the Title I Parent Involvement Policy and School Compact is developed between parents and staff among the various parent committees. The compact describes all stakeholders’ commitment to providing a high quality educational experience for all students. A copy of the Nelson Title I Parent Involvement Policy and School Compact can be found in the front office.

“Children Are Our Most Precious Resource”

On an annual basis Clovis Unified School District (CUSD) submits the Application for Funding Consolidated Categorical Aid Programs commonly called the Con Ap. The application is submitted in two (2) parts: Part I, which contains program and demographic information, is submitted by June 1 each year; and Part II, which contains the budget information and additional program data, is submitted by January 31 each year. The categorical programs included in the application are Title I, Part A – (Improving the Academic Achievement of the Disadvantaged Improving, Title I, Part C – Migrant Education, Title II, Part A – Preparing, Training and Recruiting High Quality Teachers and Principals, and Title III – Language Instruction for Limited English Proficient and Immigrant Students. Essentially, these funds are designed to assist students in mastering state standards.

Clovis Unified Schools are committed to establishing a true partnership with all facets of the Clovis Learning Community. CUSD values feedback and input. Parents continue to make positive differences in the lives of the children we all support. We know from research that participation in your child’s education will not only bring success to your child but other children in the school. Our parents truly make a difference in the lives of Clovis kids!

CUSD is proud and pleased to offer a variety of parent involvement opportunities that improve our overall program. Depending on the type of categorical funding a site may receive, district or school parent councils and committees are required under certain requirements and guidelines. Such advisory committees in the CUSD include:

- School Site Council (SSC)**
- English Learner Advisory Committee (ELAC)**
- District Advisory Committee (DAC) and School Advisory Committee (SAC)**
- District Learner Advisory Committee (DELAC)**
- District Migrant Education Parent Advisory Committee (DMEPAC)**
- District Indian Education Parent Advisory Committee (IPAC)**
- School and District level School Assessment Review Team (SART)**
- Intercultural and Diversity Advisory Council (IDAC)**

We encourage all parents and guardians to become involved with their child's education, at the classroom level, the school-wide level as well as the district level. Each school's Single Plan for Student Achievement (SPSA) describes the school's basic educational program and the categorical supplementary programs/services that are designed to support student achievement of each and every student. Parental involvement is a necessary and vital part of developing the SPSA as well as our overall program. At the district level, parent committees provide input into each of the site's SPSA and to the District's Local Education Agency Plan (LEAP). If you would like additional information on any of the District Parent Councils or Committees, please call your child's school. The Principal, Learning Director, or Guidance Instructional Specialist (GIS) would be happy to assist you, or go to <http://www.cusd.com/specialprojects>. These two school committees meet on a quarterly basis. The committees are comprised of administration, staff and parents. Students are also involved at the intermediate and secondary level.

Listed below are several parent committees that assist with categorical programs and funding. For more information, please call your school or go to: <http://www.cusd.com/specialprojects>.

School Site Council (SSC): All schools receiving categorical funds are required to form a SSC. The SSC is composed of parents, students at the secondary level and school personnel. It is responsible for developing, implementing and evaluating the Single Plan for Student Achievement programs. Members serve for two years and are elected by their peers.

District Advisory Committee (DAC) & School Advisory Committee (SAC): The entirety of the SSC acts as the SAC. The SAC serves as an advisory committee for the purpose of advising schools regarding supplemental education programs and acting as a liaison for their school community. They serve to share information and comments both at the district and site level. These education programs are supplemental education opportunities provide to students who are disadvantaged, English learners, foster youth and/or at-risk. The SSC has approved to designate our SSC pursuant to California Education Code (EC) Section 52852 to function as the School Advisory Committee.

English Learner Advisory Committee (ELAC): All schools enrolling 21 or more English learners are required to form an ELAC. The ELAC is composed of parents and school personnel. The ELAC provides input and makes recommendations to the principal, staff and SSC regarding services for English learners as well as conducts an annual survey. Members serve for two years.

District English Learner Advisory Committee (DELAC): Whenever there are 51 or more EL students in the district, there shall be a functioning District English Learner Advisory Committee (DELAC). It is important that each school site ELAC elect a DELAC representative and arrange to have that representative attend every DELAC meeting. Currently the DELAC bylaws require each DELAC representative to be 1) a parent/guardian of an EL or former EL (i.e., a reclassified fluent English proficient student) currently enrolled at the site he/she represents, and 2) elected to serve as the DELAC representative by the site ELAC. The following is an overview of the categorical funding and programs in CUSD. These funds are further discussed and outlined in each school's SPSA and at the committee meetings.

Rationale

General District funds provide support for the District's base/core curriculum program. Some children have special characteristics, not reflective of the general school population, that affect their success in the base/core programs. Some come from economically disadvantaged homes; some are educationally disadvantaged or lack English language proficiency because they have a primary language other than English. Children, such as those described above, require supplemental services and materials not generally provided through the base/core curriculum program. The needs of our children are identified and supplemental services and materials are planned and targeted to meet their special needs. Categorical funds are to be used to provide the financial support to meet these special needs.

Philosophy

All CUSD schools offer students with special needs the same kinds of high quality learning opportunities and access to the core curriculum in all curricular areas. Categorical funds are designed to support additional assistance to help students succeed in the regular classroom program (base/core curriculum) and address any learning gaps. The focus is on the effective utilization of supplementary materials, personnel, and staff development. Staff development activities are used to improve instructional practices and strategies to increase the ability of teachers and other staff to challenge and assist all students to reach their fullest potential.

Categorical Program Descriptions

The goal of the CUSD staff is to create and maintain the best educational environment possible. This can be accomplished with your support and input. If you have any questions, concerns, or would like to become more involved in the educational process at your school, please contact your school principal. Your school can assist you in learning more about categorical programs. You may want to become involved in your school's School Site Council (SSC), English Learner Advisory Committee (ELAC) and/or attend the Annual Title I Parent Meeting.
