

ROADRUNNER REVIEW

News and Highlights - Week of 1/28/2019

Dear Roadrunner families:

Congratulations to our Roadrunners who ran for Student Council offices. It shows a lot of courage and leadership to step up and say, "I want to be a leader on campus and a voice for all students." Encourage your students to always pursue opportunities to be a leader and be involved!

So proud of our Roadrunners—the word count in A/R is impressive. Our students have read over 100 million words this past semester. The only way to be a better reader is to READ! Way to go, Roadrunners.

Please keep an eye on the calendar—so many events coming up. Academic Awards for grades 1-6 are Friday, Feb. 1st. Sports & Co-Curricular Awards are the following Friday, Feb 8th.

A new semester has begun, and this is a chance for all Roadrunners to re-commit to their learning, growth, and developing study habits that will carry them through life. Please remember to check your students' backpacks, check Parent Connect to stay on top of your child's grades and assignments, and don't hesitate to email your child's teacher if you have questions. They appreciate parents who stay involved and connected.
